Let's clarify the financial aspects of care so we can direct all our attention toward balancing your body.

Payment - Payment is expected at or before the time of service.

Insurance - Here at Seaside Chiropractic we work for you. This means that we are not a provider for any insurance company. If you have out-of-network chiropractic benefits we can provide you with a superbill to submit to your insurance company for reimbursement. We are happy to call your insurance to see what benefits you have. Additionally, we do accept Health Savings Accounts (HSA) and Flex Spending Accounts (FSA).
